

Pearson Brief Reviews for Social Studies ©2016

Help your students succeed on the NY Regents Social Studies exams!

The leading provider of New York exam preparation materials presents the comprehensive Brief Reviews. Built specifically around the New York State Core Curriculum, these review guides meet the needs of all student populations and include:

- Detailed review of key concepts and skills
- Notable authors who are experts in their field
- New current events and foreign policy information (United States History and Government)
- Information on recent global events and international policies (Global History and Geography)
- Recent practice examinations to build students' confidence
- Thematic essay and document-based question (DBQ) practice
- Pretests for every unit to help create a study plan

Global History and Geography bridge edition prepares students for the transition to New York State Social Studies Framework!

- Chapter opener activities for Using Good Social Studies Practices
- Skills and practices are aligned to the NY and C3 Framework and the Common Core
- Updated Preparing for the Regents and Key Themes & Concepts boxes focus on content and concept review

Pearson offers FREE shipping and handling on all New York Brief Reviews ordered by schools!
